Howdy!

Our February meeting was fantastic and it was great to see so many of you! We had a last minute cancellation which Jason Isaac filled in as guest speaker and it was very informative!

*The attendance was awesome! Did you know we had 27 walkin-in's for the meeting? That can be a little hard on our set up crew and caterer. So a reservation would be appreciated.*

Speaking of caterer . . . The BCRW Board has voted to increase the price of our meetings to \$20.00. We have been in the RED for the last few months due to the increase in food costs. Your \$20.00 not only pays for your lunch but also the rental of the building. The Hospitality Committee works hard with Kevin to provide our members a quality lunch worth the value of your \$20.00.

***Also, please remember to check-in even if you have purchased your ticket on eventbrite. And if you're writing a check - please consider filling it out in advance. Thanks!***

*A special word of thanks to Diane*

Our March meeting will be eye opening for many of you who are not aware of E.R.I.C. Dr. Dana Meyers will fill us in on what it is, how it undermines Election Integrity, the bills filed in the legislature to get rid of it and what to replace it with! This is your personal information being funneled into the hands of bad actors.

Dr. Dana Myers is a Medical Business Consultant for the health law firm Spiers Group. Dr. Myers works with a Texas-based investment and development group working to build a critical need medicine and saline bag manufacturing plant in Texas, rather than depending on China or other foreign countries. Myers received her medical degree from Boston University School of Medicine and completed her general surgery residency at the Michael E. DeBakey Department of Surgery, Baylor College of Medicine in Houston. Dr. Myers was an Associate Clinical Professor of Surgery and taught many surgery residents, medical students, and visiting medical and military medical personnel in the Texas Medical Center.

Dr. Myers is a two-term Vice-Chair of the Harris County Republican Party, former VP Membership for the Texas Federation of Republican Women Executive Board (TFRW), past Regional Director for the Republican Party of Texas/TFRW Strike Force for Harris and the surrounding counties, past

HCRP Co-Chair of Engagement, past RPT Communications Task Force member, and two-term President of Magic Circle Republican Women's Club in Houston. Dr. Myers is married to Dr. Jon Spiers, a former Republican General Land Office Candidate, and is a longtime resident of Houston, Texas.

Dr. Dana Myers was elected by the delegates at the Texas State Republican Convention in June 2022 to be the new Vice Chairman of the Republican Party of Texas.

Through her proven leadership, Dr. Myers reorganized, streamlined, and increased transparency in the Harris County Republican party infrastructure during her first tenure as Vice-Chair while supporting and recruiting additional grassroots volunteers. During this time, Dr. Myers also served as the Regional Director of the Republican Party of Texas (RPT)/Texas Federation of Republican Women (TFRW) Voter Engagement Project effort to recruit volunteers from Harris and the seven surrounding counties to register new Republican voters. As part of this statewide effort, many of these volunteers later deployed to battleground districts in Texas during the midterm and general Presidential elections to help with GOTV efforts. This statewide project was responsible for almost 213,000 of the total 318,000 new Republican voter registrations, which managed to be the statistical vote difference to win four critical Texas Republican house seats.

During her second and current term as Vice-Chair of the Harris County Republican Party under Chairman Siegel, Dr. Myers once again helped to build and rebrand the party to increase its community engagement, communication, and voter registration efforts. With her special interest in training, recruitment, and increasing Republican voter turnout, Dr. Myers led an additional effort to recruit, train, and mobilize county and precinct chairs, and volunteers, across Texas using the latest technology.

The new Vice Chair's goal is to continue to strengthen the party, build the party infrastructure to amplify grassroot voices and goals, support the Chairman, party leadership, and the Republican party legislative priorities and platform.

## From State Representative Ellen Troxclair

I'm excited to share I've been elected by my fellow Texas House Republican Caucus members to serve on the Policy Committee! We'll be meeting early each day to review every single bill on the House calendar, and provide voting recommendations for the entire Caucus. It's an honor to be entrusted with this role, and it is another way I'll be working to pass our conservative priorities this session.

And just yesterday I was honored to be appointed by Speaker Dade Phelan to the new [Select Committee on Community Safety](#), focused on holding criminals responsible for their actions, and protecting Texas' children.

This week I was also honored to present a House Resolution to appreciate our hardworking and principled [Sheriff's Association of Texas](#). There is no way to summarize our profound gratitude in a brief resolution, but I am glad we took a moment to salute our Sheriffs. Watch here:

Your conservative priorities are fully reflected in the [bills](#) I've been working on. My staff is tracking each bill that is filed, and I am signing on to any bills that reflect the Republican Party of Texas platform [priorities](#), Governor Abbott's [seven emergency items](#), as well as any pro-family, pro-Texas bills my colleagues write.

I'm especially excited to support HB 81, Rep. Brian Harrison's effort to ensure that no Texan will ever be forced to take a [vaccine](#) against their will. I'm also working with my colleagues on a host of bills to ensure Texas and our nation remain secure from the influence of the Chinese Communist Party.

Speaking of communism, my HB553 would stop Universal Basic Income programs in Texas. See why I'm fired up about this issue in this [short video interview](#) I've just done with the [Texas Public Policy Foundation](#).

Do you know someone in HD-19, ages 8 through 18, who would love to be part of the action on House floor, interacting with Representatives in the midst of the business of the session? I can pick four Honorary Pages this session, please email me soon, at [District19.Troxclair@tHouse.Texas.Gov](mailto:District19.Troxclair@tHouse.Texas.Gov) if you'd like to be considered. Pages serve one shift, either from 8:30am to 12:00pm, or from 1:30pm to 5:00pm, on a selected day.

I appreciate our visitors, and the more detailed conversations we've engaged in as Session progresses. Shout-out to [Boerne ISD](#), [Texas Pain Society](#), [Bluebonnet Trails Community Services](#), [Leander ISD](#), [American Society of Landscape Architects](#), [Special Olympics](#), [Texas Education 911](#), and [Marble Falls Economic Development Foundation](#), among many other individuals and groups, for making the journey to your office here at E1.208 in the [Capitol](#).

When the House is in [Session](#) you may see me walking with fellow Representatives, depending relationships, new and old, for the benefit of our District. Bills are now being referred to committees, including to our [Homeland Security and Public Safety Committee](#) and [Culture, Recreation, and Tourism Committee](#), and the work of evaluating and improving those proposals is just part of what has been keeping me constantly engaged. It is worthy work. As always, please keep me in your prayers.

Gratefully,

State Representative, House District 19  
Ellen Troxclair

## Legislative Update Roxanne Nelson, Legislative Chair

### 88<sup>th</sup> Legislative Session First Report – February 19, 2023

#### ***Key Legislative Deadlines***

Bill pre-filing: November 12, 2022  
1<sup>st</sup> day of session: January 10, 2023  
60-day bill filing deadline: March 10, 2023  
Adjournment: May 29, 2023

#### ***Bills filed as of February 17, 2023***

Senate: 1,263  
House: 2,893

#### ***Governor Abbott's Emergency Items***

Governor Abbott delivered his biennial State of the State address on Thursday, outlining his priorities for the legislative session. His designation of seven emergency items allows those matters to be taken up immediately by the Legislature. Other legislation will need to wait for March 10<sup>th</sup> or day 60, as prescribed by the Texas Constitution. House and Senate committees can immediately post for public hearings on the seven emergency items, titled:

**Fight the fentanyl crisis.  
Secure the border.  
End revolving-door bail.  
School safety.**

**Education freedom.  
End Covid restrictions forever.  
Cut property taxes.**

Statements detailing each item are available on Abbott's website (<https://gov.texas.gov/news/category/press-release>).

***Lt. Gov. Dan Patrick Announces Top Priorities***

Lt. Gov. Patrick released his 30 priority bills for the 2023 session in a press release (<https://www.ltgov.texas.gov/2023/02/13/lt-gov-dan-patrick-announces-top-30-priorities-for-the-2023-legislative-session/>) on Monday.

Patrick's list reserves the low-numbered Senate Bills 1-30 for his priorities and will be the mechanism for legislative action on proposals. **Counties stand to directly benefit** from several of the bills on Patrick's list, including the state budget, new financial assistance from the state for rural law enforcement funding, additional state mental health beds, preparations for Texas' future water needs and potentially others. Only the budget (Senate Bill 1) has been filed so we do not yet know authors or details beyond brief descriptions in Patrick's press release.
