Happy New Year Everyone,

We're already off to a great new year with the Swearing In of our Republican elected officials. We appreciate the job each one of them does on our behalf.

Thank you **Londa, Darlene** and our volunteers for hosting the Swearing In Breakfast at the Courthouse for our elected officials and their guests. As usual, fantastic job!!!

The Georgia Senate Races with Kelly Loeffler and David Perdue will be on Tuesday. A remarkable team of our members have worked from home and in Georgia to help bring a Victory in those two races on Tuesday! Political Activity hours are due and I know we have a lot!!!!

We have an absolutely fabulous nationally known guest coming for our January meeting, **Nick Adams**. He is an Australian-born American conservative political commentator and author. Adams came to wide public attention on March 3, 2017 when President Trump made favorable comments and tweet about his work, notably a tweet promoting Adam's book "Green Card Warrior. You won't want to miss the meeting.

Speaking of meetings, 2021 brings a little bit of change to our meeting time together. Come early to renew your membership, visit, pay for your lunch and sign up for projects because we are serving as you take your seat and the

meeting will start promptly at 11:30. We will continue the meeting as you enjoy your delicious lunch that **Kevin** has prepared.

When you check in with Dottie, be sure and pick up a red ticket for the montly drawing. Don't like the door prizes? Always looking for suggestions.

**Carolyn Alexander** has the most friendly greeting and serving team to welcome you, help you find a seat and serve you.

It would be awesome in 2021 if everyone would take the time to **RSVP to Carolyn** in order to get a correct number of lunches. And as always, bring or invite a friend. Note that RSVP day is the *Monday before the meeting*.

We have so many new members which is a great thing! Take advantage of Wine Wednesday to get to know new folks and just have a social time together.

Keep **Terry Wilson** and **Dawn Buckingham** in your prayers as they begin the session. We will keep you updated on Legislation that may require our political activity.

The Presidential Race is **NOT OVER**. I expect great things in the next few week. Keep praying and expect a miracle!!

See you next week. Dont' forget to RSVP!!!

### December Meeting Minutes

Burnet County Republican Women PAC Minutes of General Meeting –December 10, 2020 Sylvester H. Reed Memorial Building – Burnet, Texas

**Welcome, Call to Order, and Opening Ceremonies :** President Kay Stripling welcomed everyone to the BCRW December 10, 2020, in-person regular meeting at 11:30 a.m. She highlighted many of the accomplishments our club had in 2020. She stated that today we celebrate but tomorrow we start working to elect two Georgia

Senators to retain our majority in the senate. A Prime Rib with seasoned potatoes, green salad and dressing & horseradish sauce and dessert had been placed at each person's table setting. Attendees enjoyed their meal and conversation until beginning meeting. Judy Salvaggio gave the invocation, and Janet Crow led the pledges to the American and Texas flags. During our meal we were entertained with music by Triple Bogey. The group thoroughly enjoyed their performance.

**Recognition of Officials, Guests, and New Members:** Elected officials, precinct chairs, and TFRW officers introduced themselves. Guests and new members were also introduced. President Kay recognized our speaker Glynis Chester, President of TFRW. She also recognized Lucio Valdez who was the State Representative candidate that we did block walking and electioneering for. She also introduced Shannon, Terry Wilson's wife as a guest in his place due to a conflict. President Kay thanked them so much for providing for the meal at our meeting today and how much we appreciated it.

**Special Remarks:** President Kay came forward to address the group for the last time as president. She went through her list of all members that had stepped forward to help her through the two years of her service. She especially wanted everyone to remember Ginny Wortham, our Secretary, who we lost in April and for JoAnn Meyer who was such a help to the club until her illness. And she thanked Gail, Mary Jane, Kara and Londa. She told them that we had been a great team, working so well together. Kay ended with a statement that she is so proud to call us all friends and wanted to say thanks.

#### **Business Meeting:**

**Approval of Minutes and Treasurer's Report:** The minutes of the November 2020 meeting as recorded by Janice Estill, Secretary, were approved as published. Carolyn Richmond announced that the club balance as of December 1, 2020 is \$17,489.60. forward and introduce the special guests. Mary Jane told the group about how during the work we were doing for Lucio Valdez, we became almost like family. Legislative Day • Thursday, February 4, 2021

## Political Activity Hours

Don't forget to keep track of your hours. Due January 14.

## Legislative Priorities - RPT

Last July, delegates to the State Republican Party of Texas voted on eight Legislative Priorities they want to see passed into law this upcoming legislative session. These eight priorities are:

### Election Integrity

Require citizenship verification of each voter, and felony penalties for Election Code violations that threaten election integrity.

### Religious Freedom

Restore the rights of individuals, organizations, and businesses, to exercise their sincerely held religious beliefs by prohibiting local ordinances, state laws, or executive orders that violate those rights.

### Children and Gender Modification

Abolish the following practices for minors: intervention to prevent natural

progression of puberty; administration of opposite sex hormones; and performance of any type of gender reassignment surgery.

### **Abolition of Abortion**

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization.

### **Constitutional Carry**

Restore legal Texas firearms owners' rights to carry them openly or concealed without a permit, while maintaining the option of a permit for reciprocity purposes.

### **Monument Protection**

All monuments or markers in our state shall be protected by law from being removed, defaced, destroyed, or otherwise dishonored. In particular, specific protection shall be given to the Alamo Cenotaph which shall not be removed from its current location off the Alamo Battlefield footprint.

### **School Choice for All**

Empower parents and guardians to choose from public, private, charter, or homeschool options for their children's education using tax credits or exemptions without government restraint or intrusion

### **Ban Taxpayer-Funded Lobbying**

Abolish all forms of taxpayer-funded lobbying.

Chairman West, with the vigorous urging of many Texas Republican voters, has also charged us with an additional priority: reigning in executive power. This priority calls on the legislature to curtail the power of the governor to extend the Disaster Act and enable local officials to enact restrictions on individual liberties of Texans. Our citizens -- especially our vulnerable populations of children and seniors -- are suffering due to isolation, and mask and other unscientific mandates. Small businesses are being destroyed from occupancy and other unconstitutional ordinances. This must stop.

The purpose of the State Republican Executive Committee (SREC) is to ensure our elected officials are passing legislation that reflects our principles and Party platform. The Legislative Priorities Committee is responsible for working with our Republican legislators to craft and pass the priorities as designated by our delegates every two years at the state convention. We also inform and equip our Republican voters with actions they can carry out to support the passage of these priorities.

To that end, as Chair of the Legislative Priorities Committee, I will update you weekly on progress. We measure success as passing each one of these priorities, and expect our Republican representatives and senators to rise to the occasion this session to work in concert with the will of the Republican voters who put them in office.

The Democrats have come out of the gate quickly filing a number of bills that are in opposition to our priorities. But Democrats did not win the state of Texas in this past election, Republicans did, so we will seize this opportunity to keep Texas free through fair elections. We will restore our religious liberties and keep our children alive and safe and educated as parents see

fit. We will ensure our Second Amendment rights are unhindered, and our monuments intact as they remind us of our history, mistakes included. Finally, we will make sure citizens do not pay lobbyists to work against our interests.

The failure of the last legislative session -- to enact the will of the Party that won the State House, Senate, and Governor's office -- must not repeat itself this session. And our Capitol must be open to the people of the State of Texas, as specified in the Texas Constitutions, with no restrictions.

These are challenging times, and truly we are on the verge of losing to those who want socialism and a compliant populace. However, we are Texans, and with God's grace, we can save Texas. The first thing you can do is call your state representative, state senator, and the governor's office and ask that they open the Capitol and pass these Legislative Priorities!

For God and Texas!
